

FOUNTAINS HOTEL

Fountains Hotel Cape Town is a 4 star Hotel conveniently located in the city centre of Cape Town. Ideal for both leisure and business travellers. The Hotel has easy access to tourist attractions such as the Victoria & Alfred Waterfront, the Two Oceans Aquarium and Table Mountain, as well as being within walking distance to the Cape Town International Convention Centre. The Hotel offers a range of en-suite rooms, each with individually controlled air conditioning, in-room safe deposit box, complimentary uncapped Wi-Fi and an extensive bouquet of satellite TV channels. Our contemporary restaurant offers a breakfast buffet, lunch, and dinner a la carte as well as 24-hour room service. The Fountains Hotel offers everything you need to travel well – a warm welcome, a rewarding stay and a truly South African experience.

At Fountains Hotel Cape Town, we are eager to make our mark as an active contributor to the world-wide "greening" initiative. We have done so by installing low-flow water-saving taps in all guest bedrooms & public areas. We have replaced our air conditioning units with energyefficient units and switched to bulk-size bathroom amenities in order to significantly reduce our waste footprint and environmental impact.

We offer our Guests the option of having their towels replaced less frequently resulting in less washing and more saving on our water usage. Fountains Hotel has also removed single use plastic straws from the hotel and replaced it with environmentally friendly bio-degradable straws.
